

KOREAN LEARNING SYSTEM

K-LINK: Learn Korean Your Way

A personalized Korean learning system designed to help students build vocabulary, grammar, communication skills, and TOPIK readiness.

MAIN GOAL: LEARN → PRACTICE → REVIEW → IMPROVE

LEARNING LEVELS

01 Level 1 — HANGUL STARTER

- Learn Hangul alphabet
- Basic pronunciation
- Simple words and phrases

02 Level 2 — EVERYDAY KOREAN

- Daily vocabulary
- Basic grammar
- Short conversations

03 Level 3 — CONFIDENT SPEAKER

- Intermediate grammar
- Reading & listening
- Real-life situations

04 Level 4 — TOPIK READY

- TOPIK-style questions
- Exam vocabulary
- Timed practice

MAIN SYSTEM FEATURES

Learn — Vocabulary, grammar, reading and listening lessons.

Daily Challenge — Complete a short personalized task every day.

Smart Review — Difficult words and mistakes automatically return for revision.

Conversation Practice — Practice useful Korean phrases for everyday situations.

TOPIK Mode — Prepare with questions organized by TOPIK level.

Progress Tracking — Monitor scores, completed lessons and learning progress.

USER JOURNEY

- 01 Choose Your Level — The learner selects their Korean level and learning goal.
- 02 Complete a Daily Lesson — The system provides vocabulary, grammar and one skill activity.
- 03 Practice — The learner completes exercises, reading or listening tasks.
- 04 Take a Mini Quiz — A short quiz checks what the learner understood.
- 05 Review Mistakes — Incorrect answers are saved for future revision.
- 06 Track Progress — The learner sees their score, streak and improvement.

SYSTEM QUALITY & EXPECTED RESULT

Usability

Simple navigation and clear learning steps.

Performance

Lessons and quizzes should load quickly.

Reliability

Learning progress and test results are saved accurately.

Security

User accounts and personal learning data are protected.

Accessibility

Learning materials should be clear and easy to read.

Maintainability

New lessons, vocabulary and TOPIK questions can be added.

Expected Result

The learner develops Korean skills through short daily practice, personalized review, and continuous progress tracking.
